

Educational Tours

Oh, the Places You'll Go ~ Dr. Seuss

Great teachers know that some of the best learning takes place outside of the classroom. Our tour planners carefully craft educational tour experiences that help to drive home important concepts from the curriculum. From science & technology/STEM to History to the Arts, Dream Big can customize an engaging field trip for your academic discipline.

History/Social Studies Tour Destinations

Birmingham/Selma/Montgomery

Students will learn about the struggles for equality and voting rights during the Modern Civil Rights Movement. Follow the trail of some of the most significant Civil Rights icons and events of the 1960's including "Bloody Sunday" at the Pettus Bridge, the Birmingham School Bombing, the Rosa Parks Museum and the home of Martin Luther King.

Here's how we go the extra mile for you:

We Listen to Educators

We take the time to meet with you, in person, by phone, or Skype to understand your goals, your needs, and your challenges.

Safety and Security

We carefully select our transportation partners & tour guides. Safety and security is paramount.

Stress-Free Tour Planning

We believe that student travel shouldn't be a headache for teachers and tour directors.

You Pay What We Quote You

There are no hidden fees, so you can sit back, relax, and enjoy your trip without worrying about additional costs.
